 - (f) water tanks (which in any event must not exceed the height of the roof eave of the Residence closest to the tank) or clothes lines visible from any road reserve or public reserve which the Lot abuts.
- (5) NOT construct any fences or walls:
- (a) in the case of Lots 1029, 1036, 1048 and 1641, along the Secondary Street boundary of the Lot abutting a road reserve, unless using a proprietary brand capped metal fencing system in a colour that is Dulux Colorbond® Harvest® colour, or equivalent, as contemplated in the Design Guidelines; or in accordance with Clause 2.2 (5)(b)(ii) as contemplated in the Design Guidelines;
 - (b) in the case of all Lots, along a common boundary with any other Lot other than using either:
 - (i) a proprietary brand capped metal fencing system in a colour that is Dulux Colorbond® Harvest® colour, or equivalent, where the fence is visible from a road reserve and of a height no less than 1,650mm from the natural ground level at any point, except for the 2 metres section closest to a road reserve, over which it tapers from a height of no less than 1,650mm from the natural ground level down to 900mm from the natural ground level; or
 - (ii) face brick, face block or rendered blockwork being limestone or similar colour where the fence is visible from a road reserve, and of a height of no less than 1,650mm from the natural ground level at any point;
 - (c) in the case of all Lots, forward of the primary street setback, unless in accordance with the R-Codes and with materials and colours complementing the primary elevation, such materials not being pre-finished corrugated metal sheeting; and
 - (d) in the case of all Lots, any retaining walls visible from a street or public reserve unless using limestone blocks or face brick, face block or rendered blockwork similar to the walls of the dwelling;
- (6) NOT construct any gates in fences facing a road, unless:
- (a) the gates are clad or covered in similar materials to the fence and painted to match the fence; or
 - (b) in the case of brick/blockwork fencing, the gates are clad with a proprietary brand metal fencing system and in a colour that matches the fence; or
 - (c) in the case of brushwood fencing, the gates are clad with a proprietary brand metal fencing system or constructed of timber/metal and in a colour or painted to match the fence.

- (7) NOT take or permit any action to be taken to remove, alter, mark or deface a retaining wall or fence constructed by Ardross Estates on or about any of the boundaries of the Lot and not permit such wall or fence to become damaged or unsafe nor permit any roots or any tree, plant or any building or other thing on the Lot to cause such wall or fence to become structurally unsound, or repair or renew such walls and fences except in the same style and colour as the existing walls and fences, except in the case of Lots 1029, 1036, 1048 and 1641 for the express purpose of widening the secondary access up to a maximum of 11.0 metres from the immediately adjacent side boundary.
- (8) NOT permit or allow the finished level of the Lot to be raised or lowered by more than 0.5m, unless for installation of soakwells, a swimming pool, footings, or a cellar/basement contained wholly under the main Residence.
- (9) NOT park or allow to be parked on each Lot, any caravans, trailers, boats, machinery whether mobile or fixed and any commercial motor vehicles including trucks and utilities or any other trailerable vehicle, unless all of such vehicles and machinery are stored or contained wholly within the boundaries of each Lot and stored behind substantial non-transparent fences and/or gates.
- (10) NOT use each Lot for the stockpiling of building materials and or keep rubbish, trash, garbage, or other waste, unless such materials are stored or contained in an appropriate permanent or temporary containers specially constructed for that purpose and placed in appropriate areas wholly within each Lot and are not visible from any other Lot or any Road Reserve, except immediately prior to garbage collection.
- (11) NOT permit or allow all garden areas of the Lot within public view not to be landscaped within six (6) months of practical completion of the Residence.

The above restrictive covenants shall expire and cease to have effect from and including 1 December 2030.

3. Benefit and Burden of Restrictive Covenants

3.1 Ardross Estates intends that the burden of the restrictive covenant is to:

- (1) run with the Lots for the benefit of each and every other registered proprietor of the Lots and each and every other registered proprietor of:
 - (a) Lot 1013 on Deposited Plan 55740 Volume 2681 Folio 509 (**Lot 1013**); and
 - (b) Lot 2051 on Deposited Plan 66489 Volume 2757 Folio 955 (**Lot 2051**); and
- (2) be enforceable against the registered proprietor of each of the Lots by Ardross Estates and every subsequent registered proprietor of each and every Lot and the registered proprietor and each subsequent registered proprietor of Lot 1013 and Lot 2051.

3.2 During the period that Ardross Estates is the registered proprietor of any of the Lots, Ardross Estates accepts no responsibility, at law or at equity, for enforcement of the restrictive covenants.

3.3 Ardross Estates is not personally liable in respect of each Lot after Ardross Estates no longer has any registered interest in that Lot.

4. Consents under Section 136E of the Transfer of Land Act

Ardross Estates will obtain any consents required under Section 136E of the Transfer of Land Act to the creation of this deed and the creation of the restrictive covenants over the Lots pursuant to Section 136D of the Transfer of Land Act.

5. Severance

If any covenant in this deed or its application to any person or circumstance is or becomes invalid or unenforceable then the remaining covenants of this deed will not be affected and each remaining covenant will be valid and enforceable to the fullest extent permitted by law.
